Introduction.

Mahmoud Abbas Designs Studio is a fully integrated design house that was founded in 2008. Its field of work starts from Architecture design, interior design, concept creation, to contracting services for both residential & commercial spaces.

The Studio aims to mix art thinking with geometric functions to provide creative designs that never gets out of style.
Our designs are a blend of cultural insight and luxurious contemporary elements creating designs that reimagine modern, contemporary and classic styling.
We pride ourselves in our irreproachable commitment to quality by providing only the highest standard of design and material.

> “As an architect you design for the present, with an awareness of the past, for a future which is essentially unknown.
>
> NORMAN FOSTER

MAHMOUD ABBAS + DESIGNS

VASKO

A Matt black painted metal, providing a smart foil for the wood and the warm tons of copper of this coffee container; adding an industrial mood and a welcoming atmosphere to this project

BAB TOOMA

Bab Tooma renovation is based on harmonizing with the new aesthetic design culture that is growing around us. For this design we added new elements and changed Bab tooma's color scheme to reach a lighter atmosphere.

MAHMOUD ABBAS

KAVA

A flowing design that is opposite to simplicity to its core with a midful choices of materials carrying out the design through the whole space; adding perfect hues to the Terrazzo tiles.

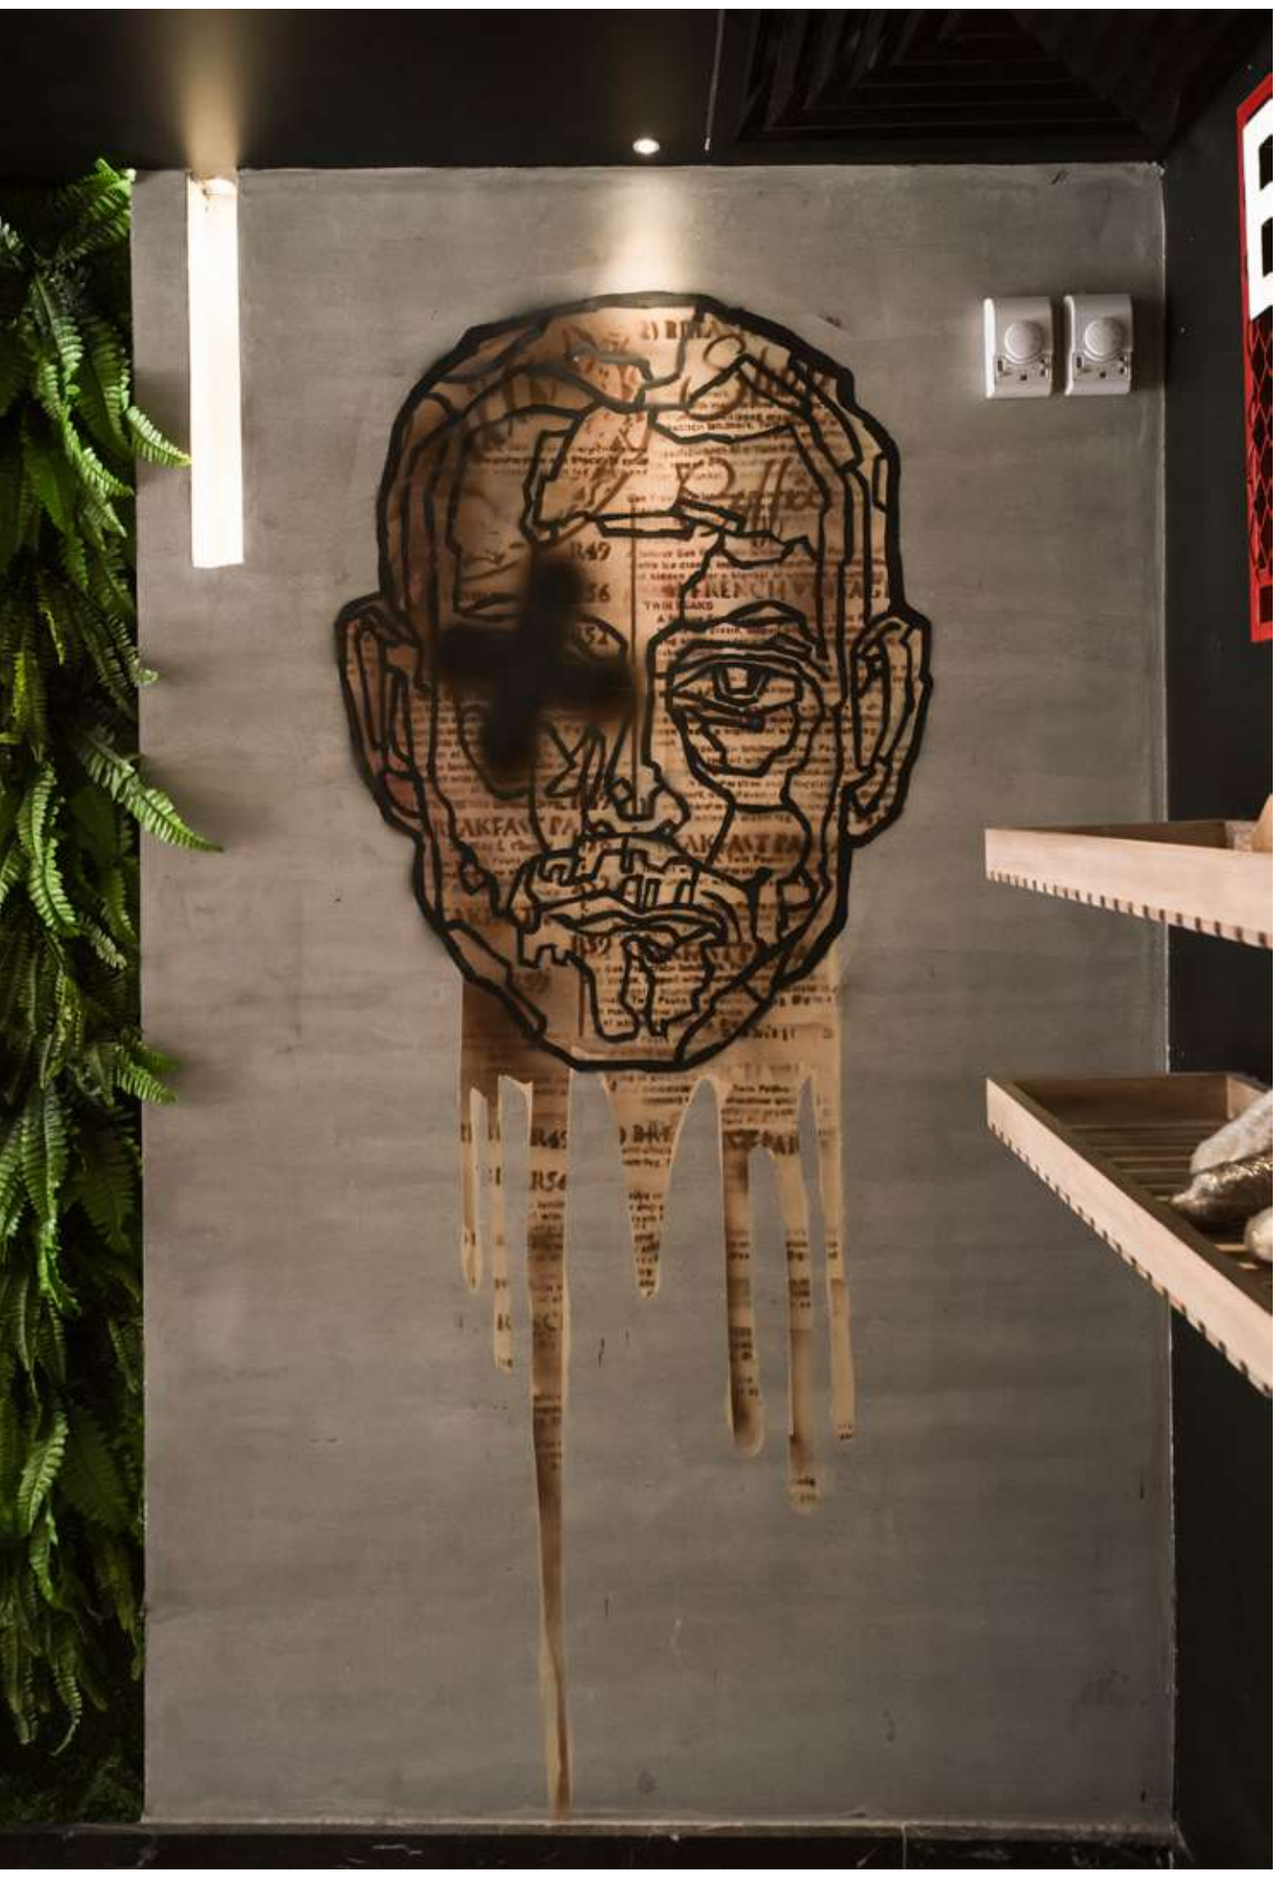

IT’S NOT JUST BITS AND PIECES, IT’S A FORM OF ART

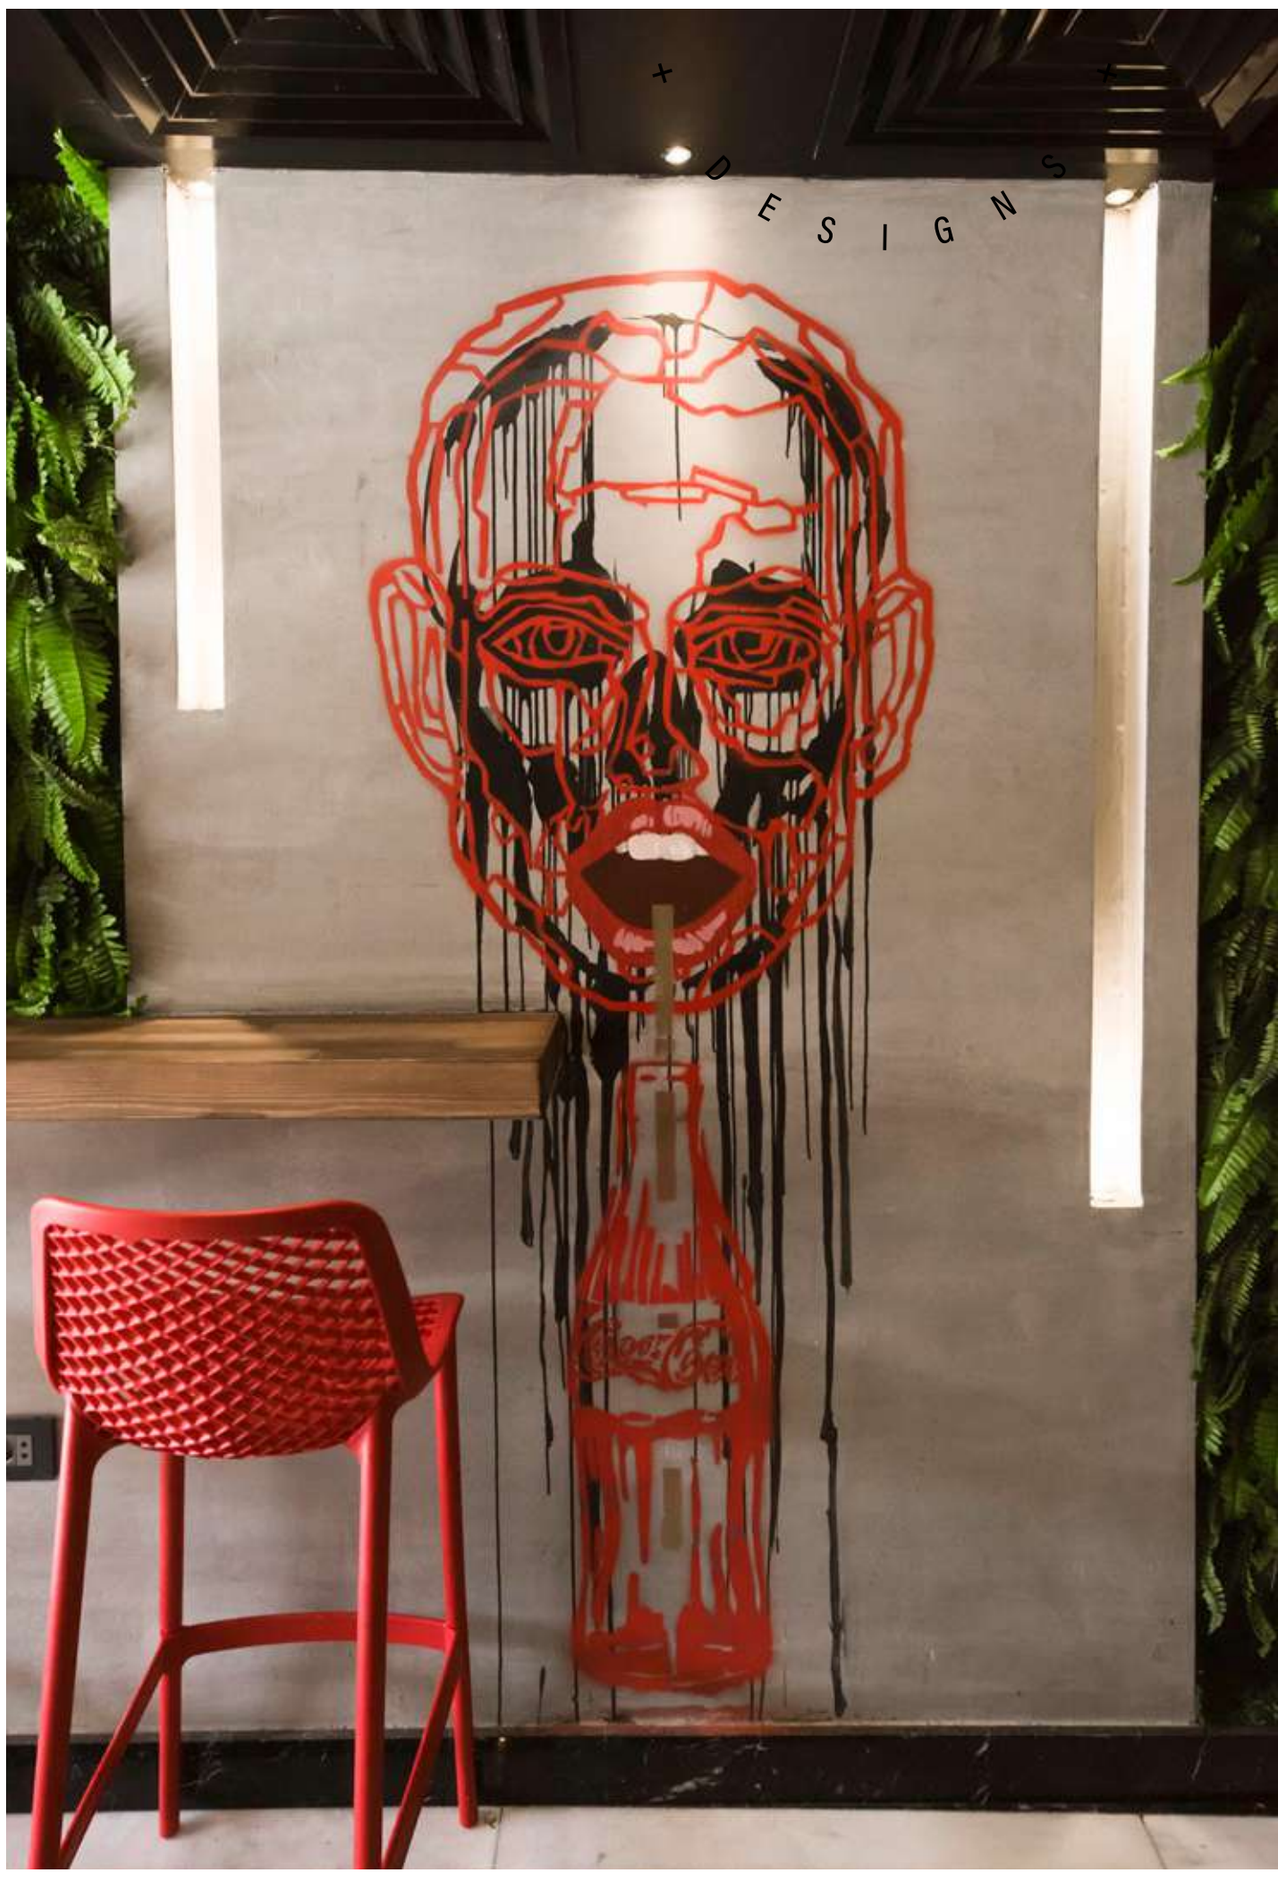

MAHMOUD ABBAS x DESIGNS

CANTEEN

A nostalgic concept that takes us back to colorful canteens. The design is full of authentic details starting with the hand painted artwork, the vintage iron plates behind the bar, to the geometric ceiling pattern.

MAHMOUD ABBAS x DESIGNS x

VIAGGIO

MAHMOUD ABBAS DESIGNS

Caesar went to his temple after trying a strange plant in its garden,
a plant we now call "shrooms". By the first foot caesar stepped inside,
something hit him! Suddenly colors started to look more vivid and the place seemed alive.
He started visualizing Gods floating around him, and that is when Caesar's Viaggio had begun.

POSH NOSH

A cultivating design concept with a sense of chic contemporary interior for Posh Nosh.The project is all about the uniquely designed, hand painted, tattooed sculptures.
Going extra MAD with this project’s identity.

MAHMOUD ABBAS x DESIGNS x

BRAM

For this restaurant we mixed oriental design with a modern look and feel, creating an authentic Egyptian cuisine in the finest style.

THE SMITH

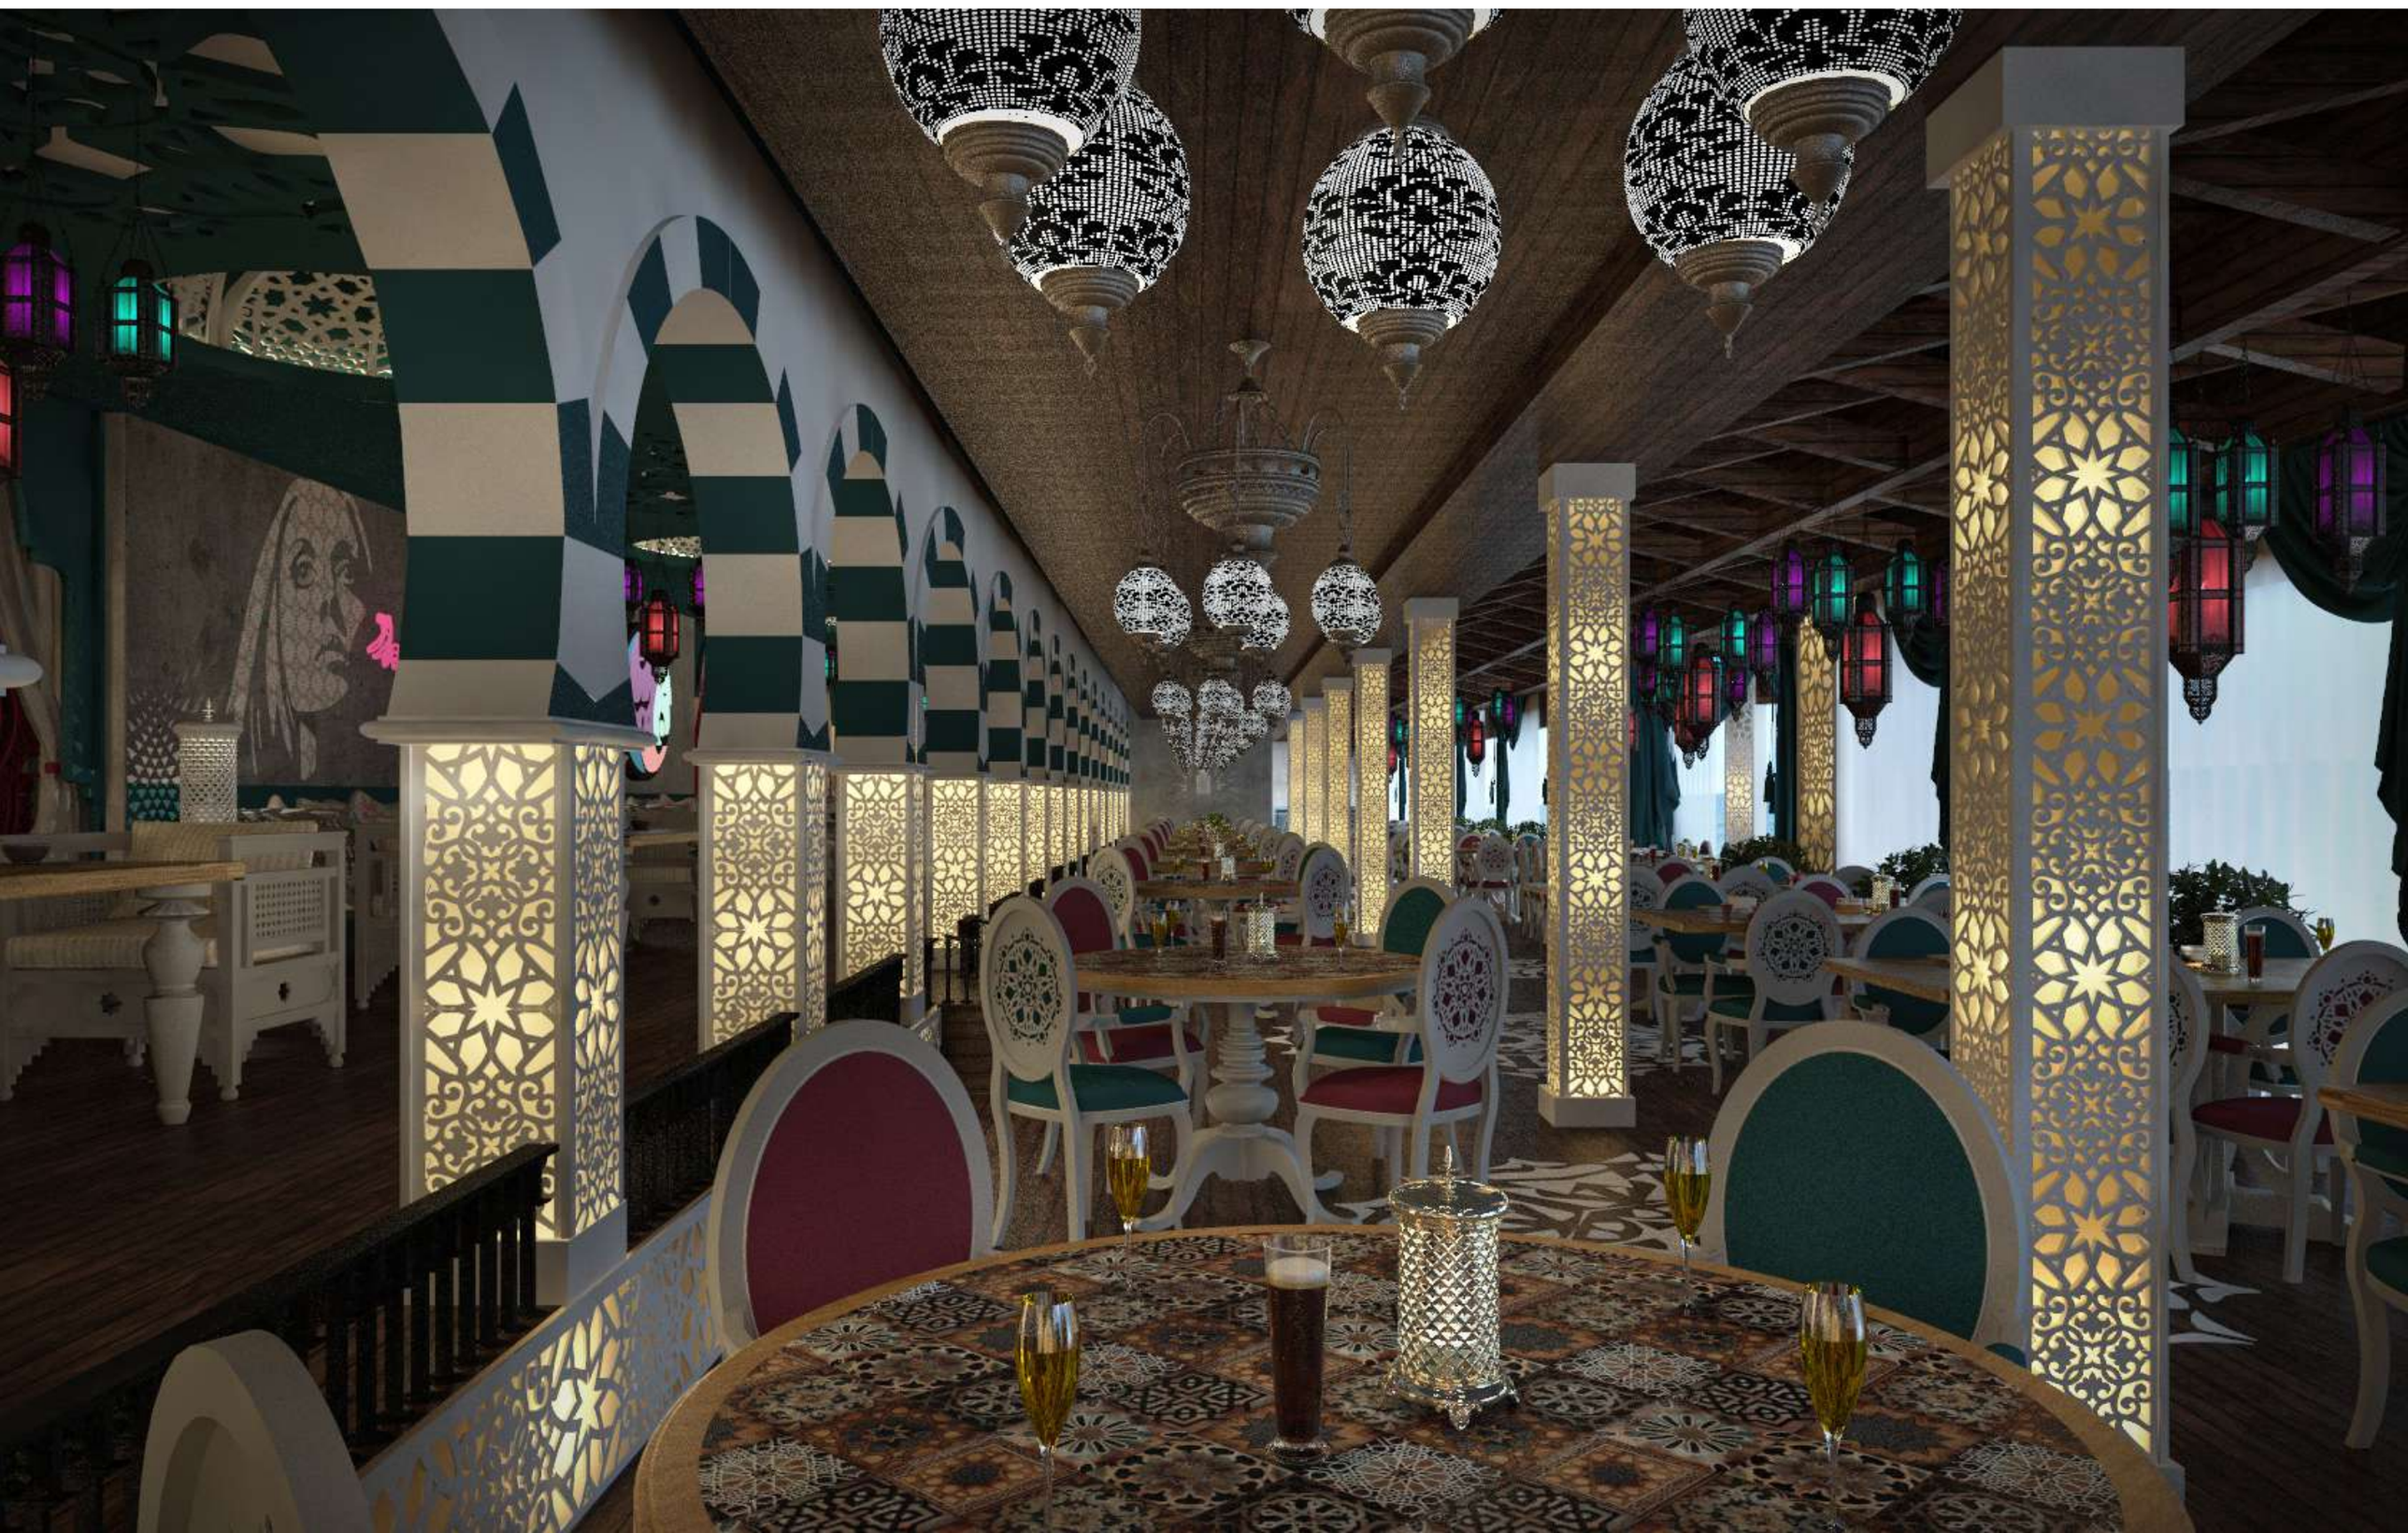

Redefining, vintage, and rebelling against everything, with an electric taste. The industrial interior style of The Smith is a mixture of vintage elements that show the British charm

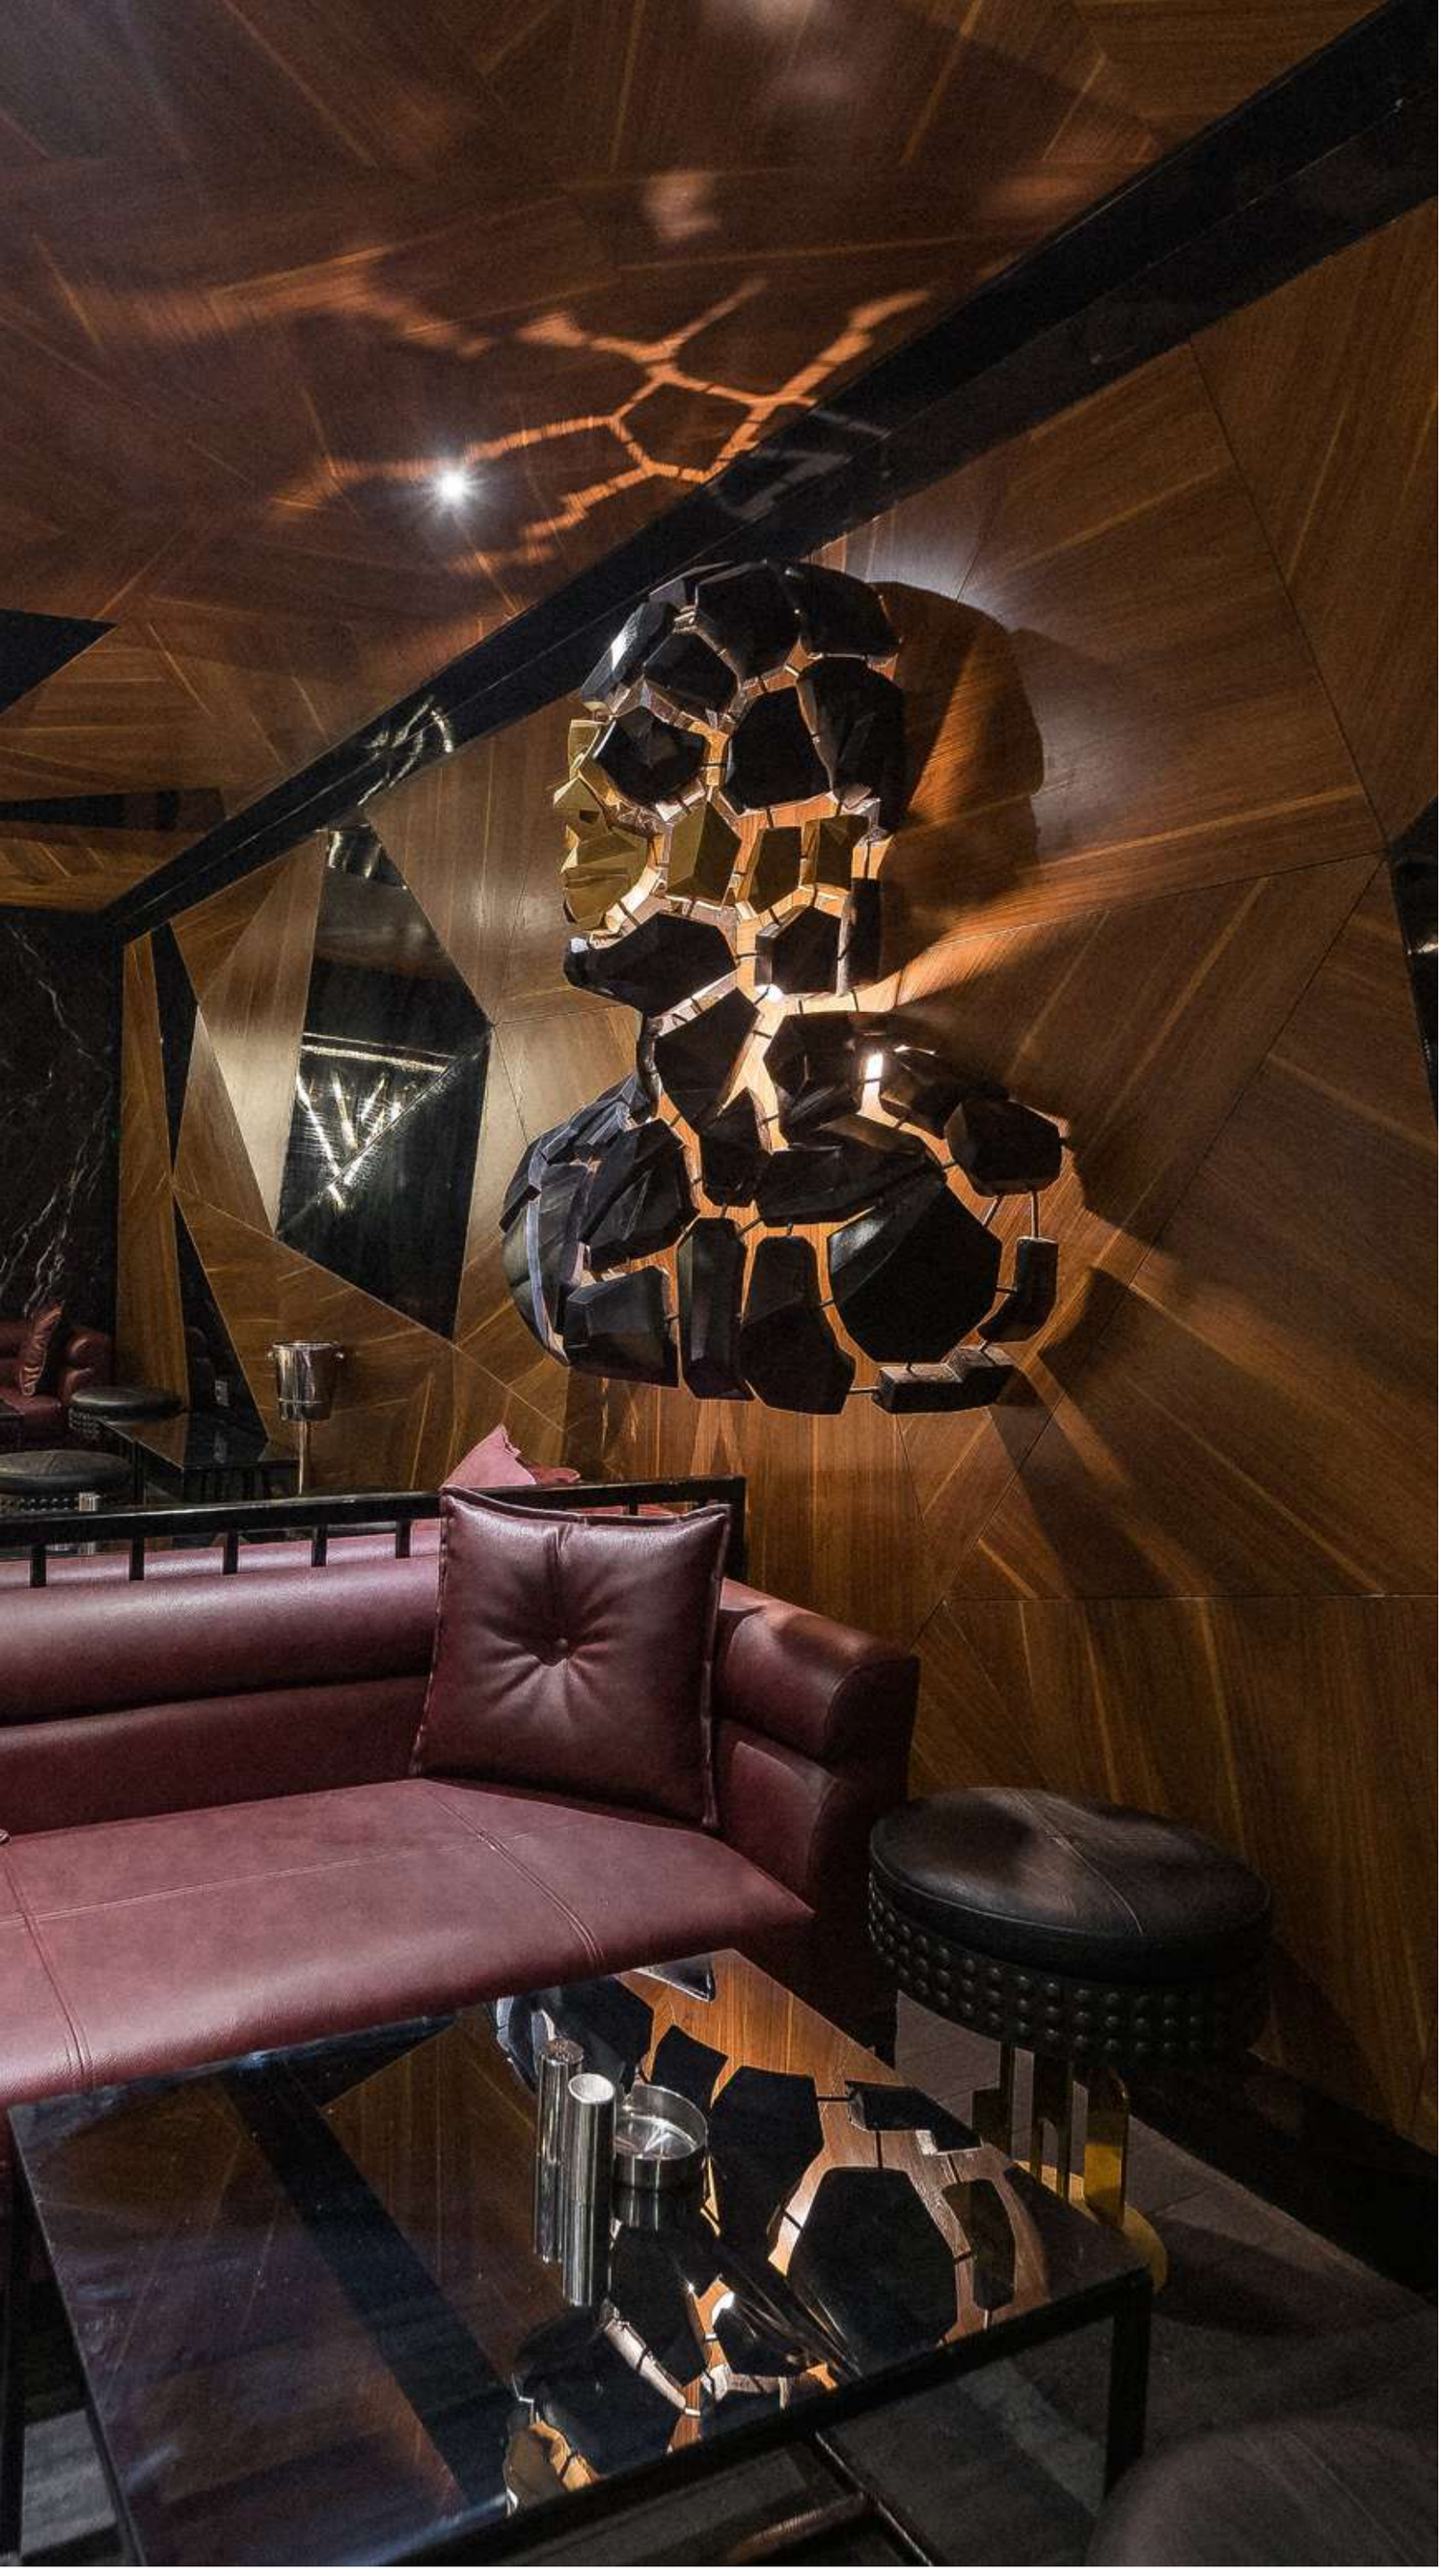

HAYDA

The arabesque interior style of Hayda was inspired from in the Middle East that was widely used in all types of constructions, starting from palaces to mosques. The design is characterized with Arabic incomparable beauty styles

Night Life Projects

LIV

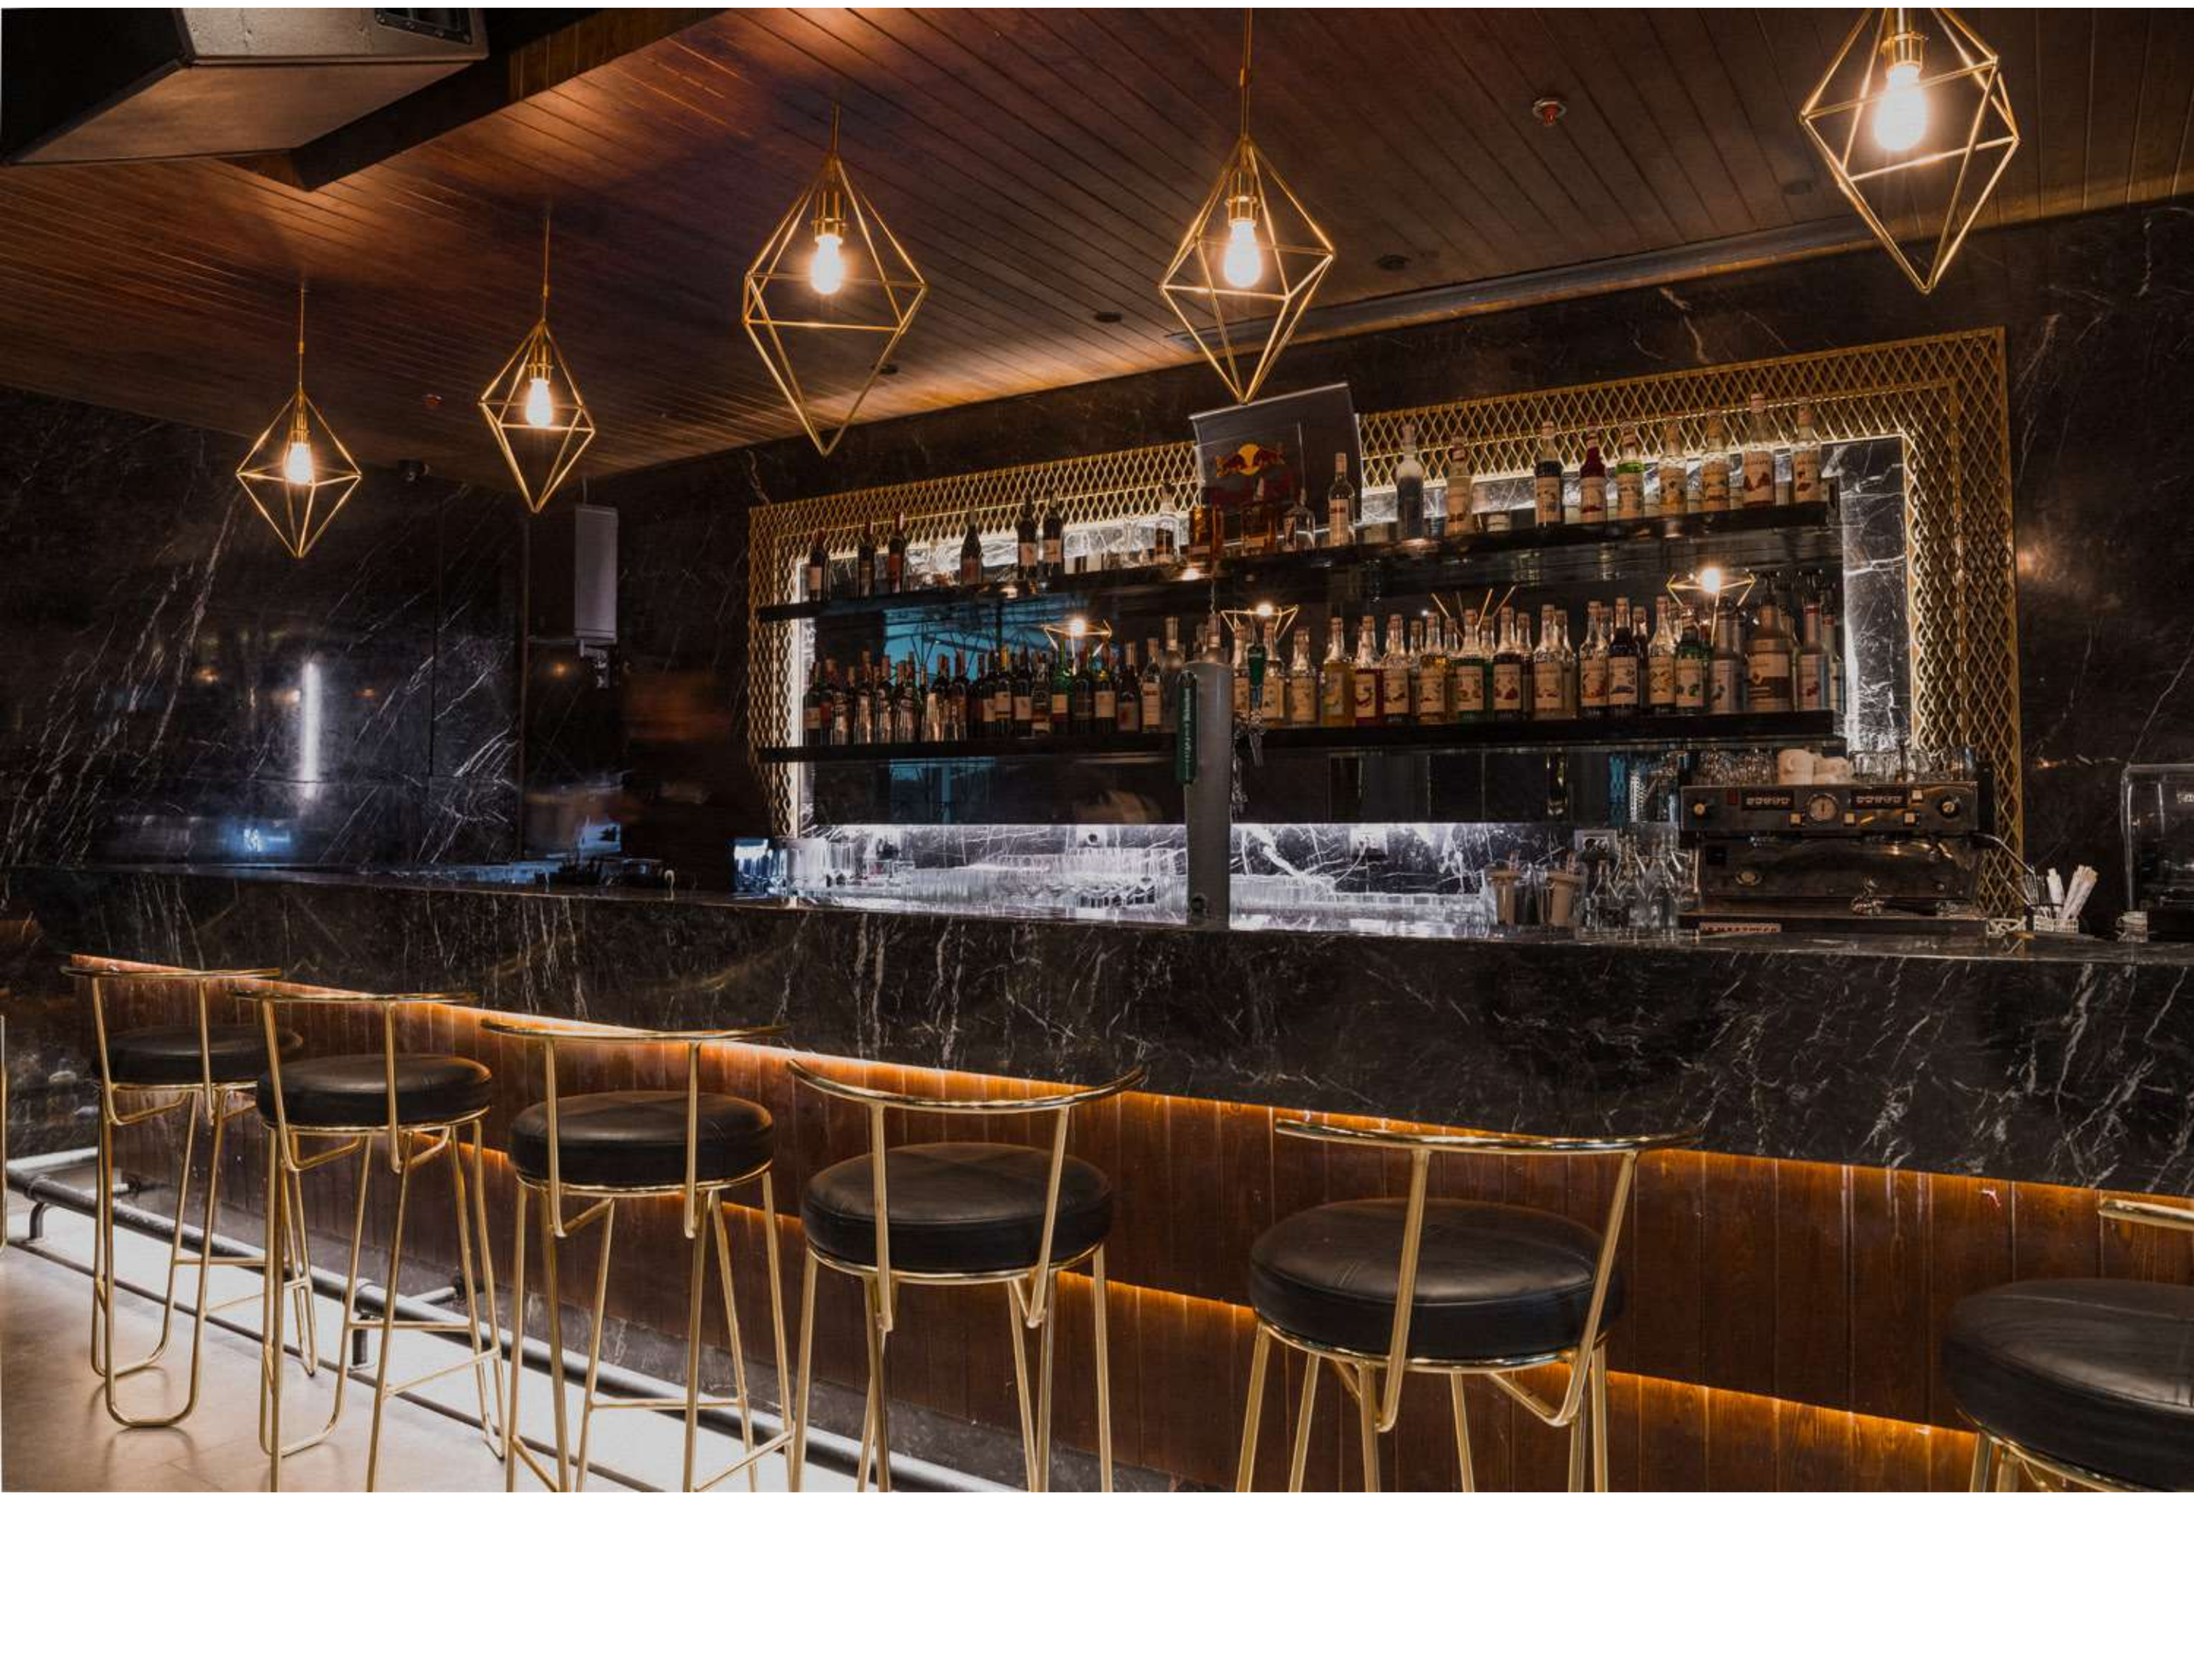

Aside from the marble and gold elements that give the space a luxurious atmosphere, the space stands-out with the mysterious man figure that certainly puts the project in a world of its own.

MAHMOUD ABBAS DESIGNS

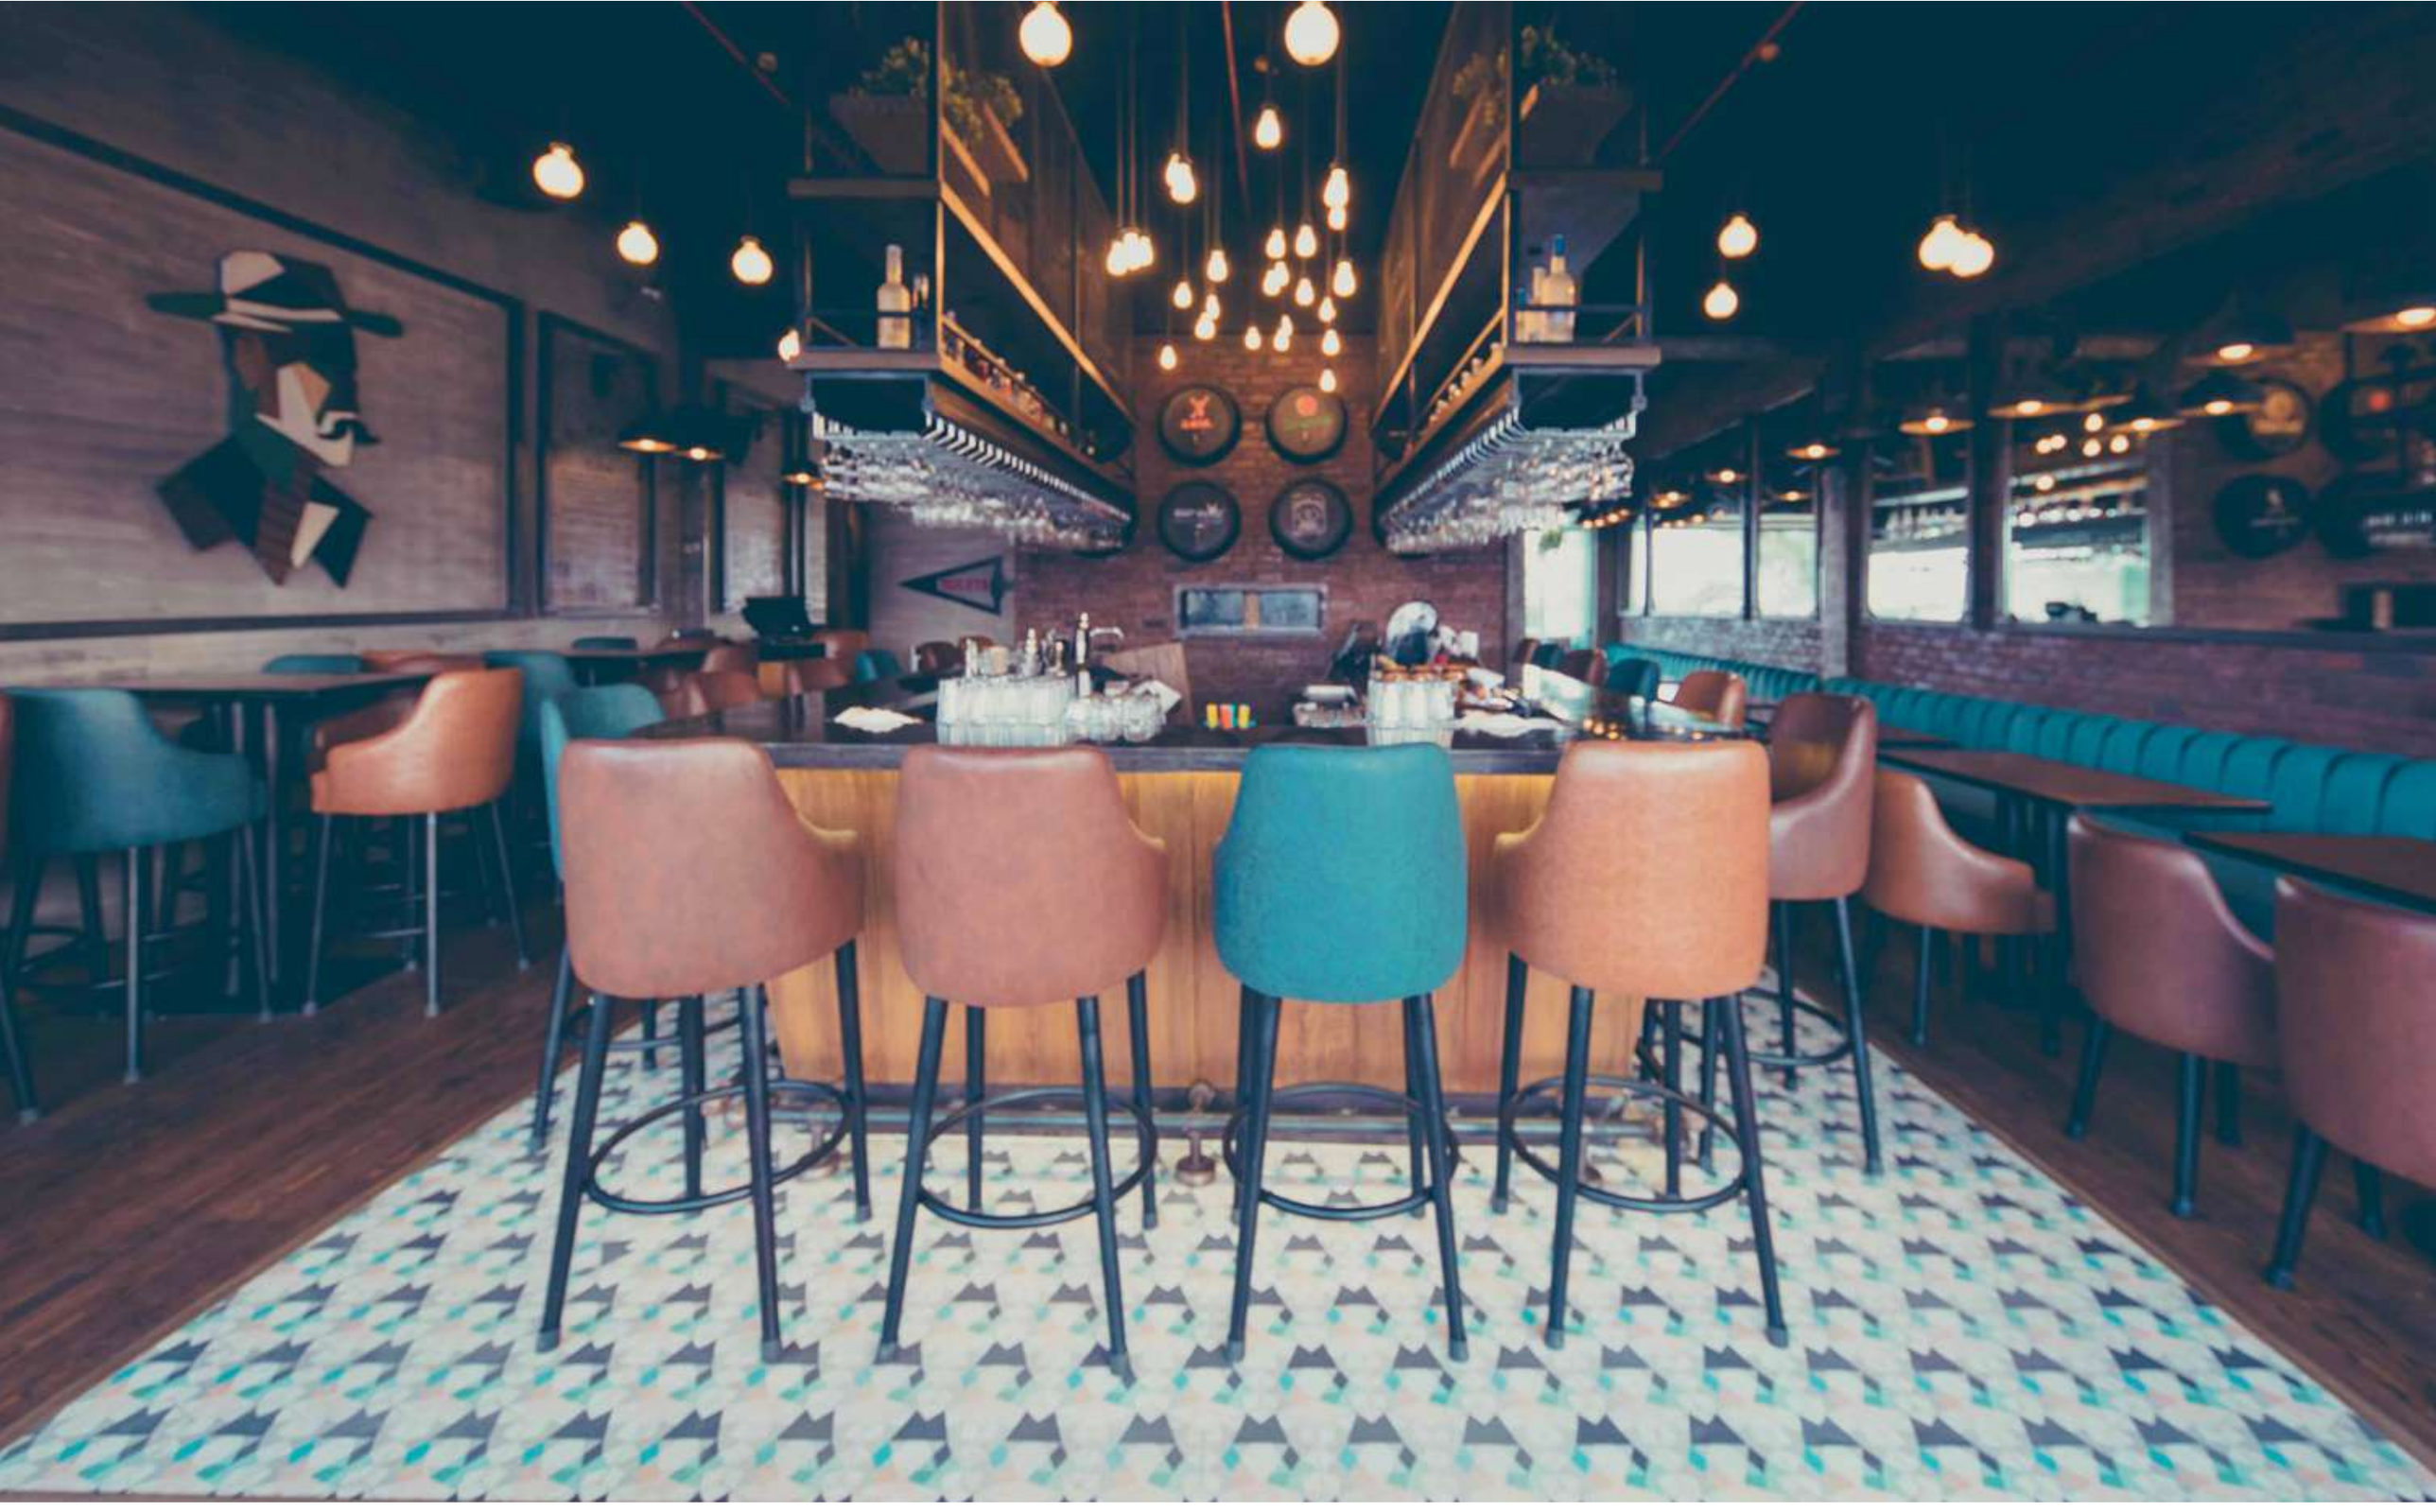

PADRINO

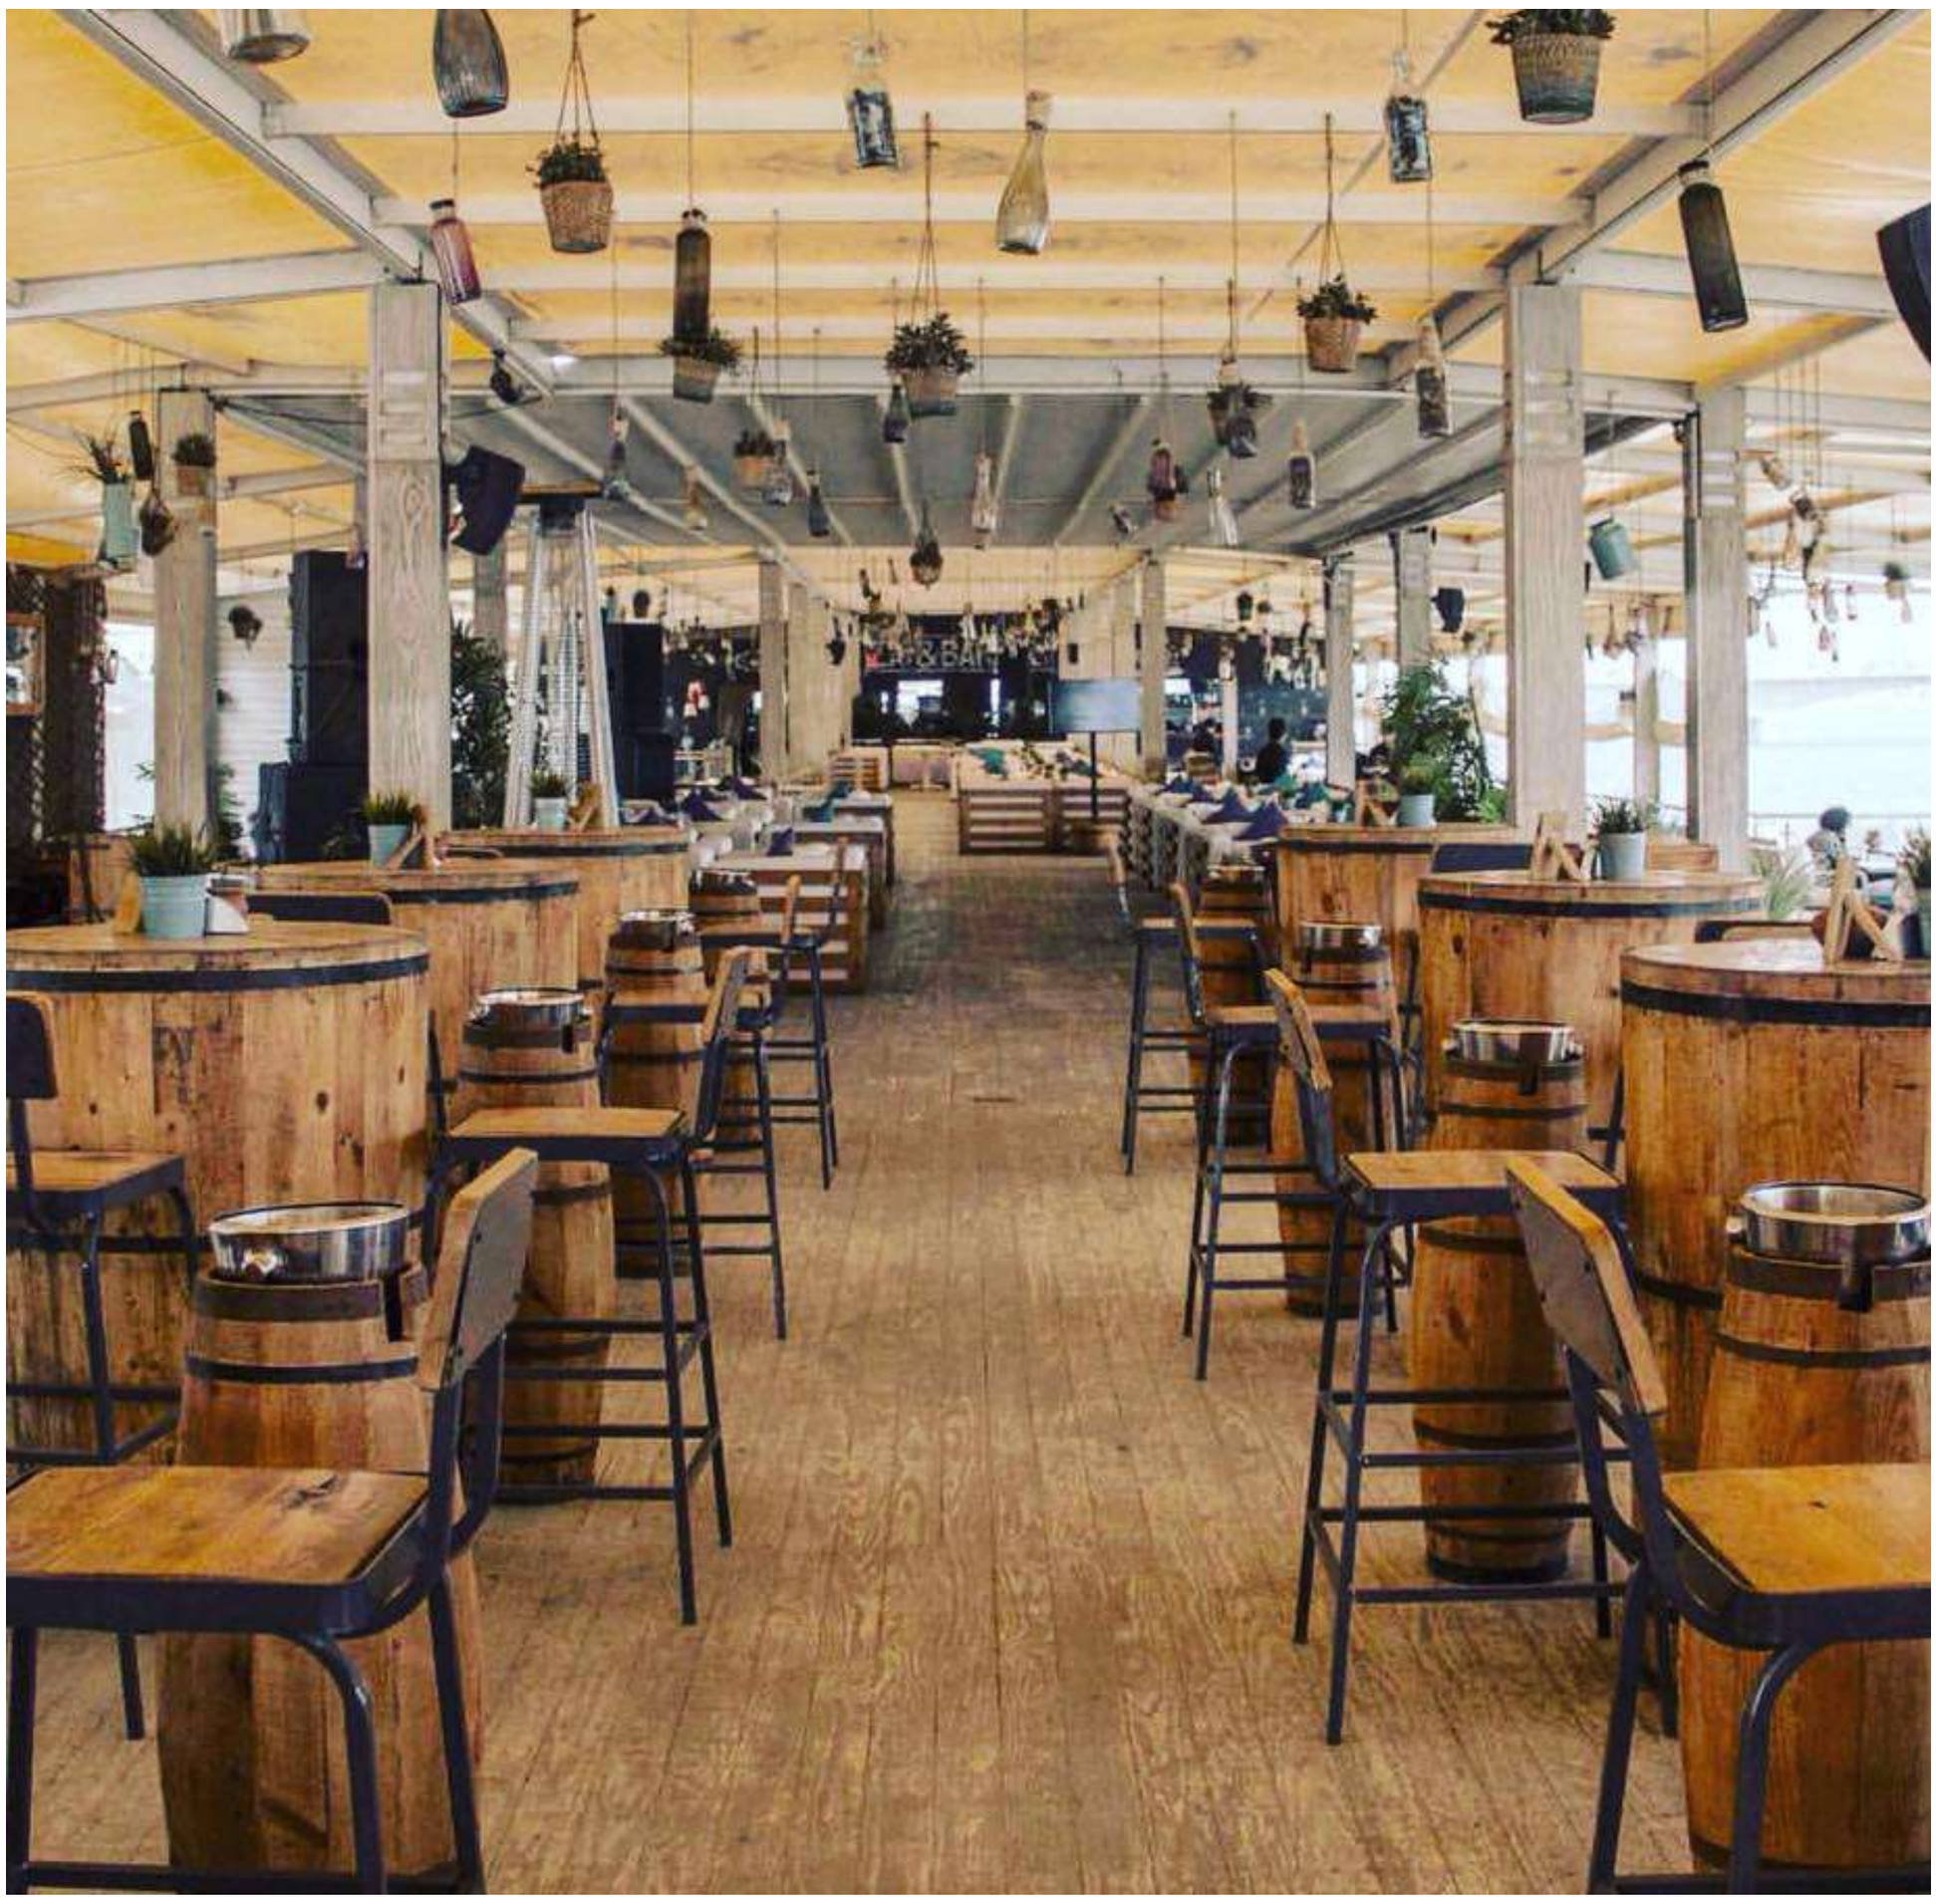

A design full of details, and rich in decorative materials for this pizzeria! This design in about the greenery that cover the bar walls and the floor panoramic exterior, with vintage high chairs and a classic VIP lounge. We can see a “Godfather” in this project.

LA TABERNA

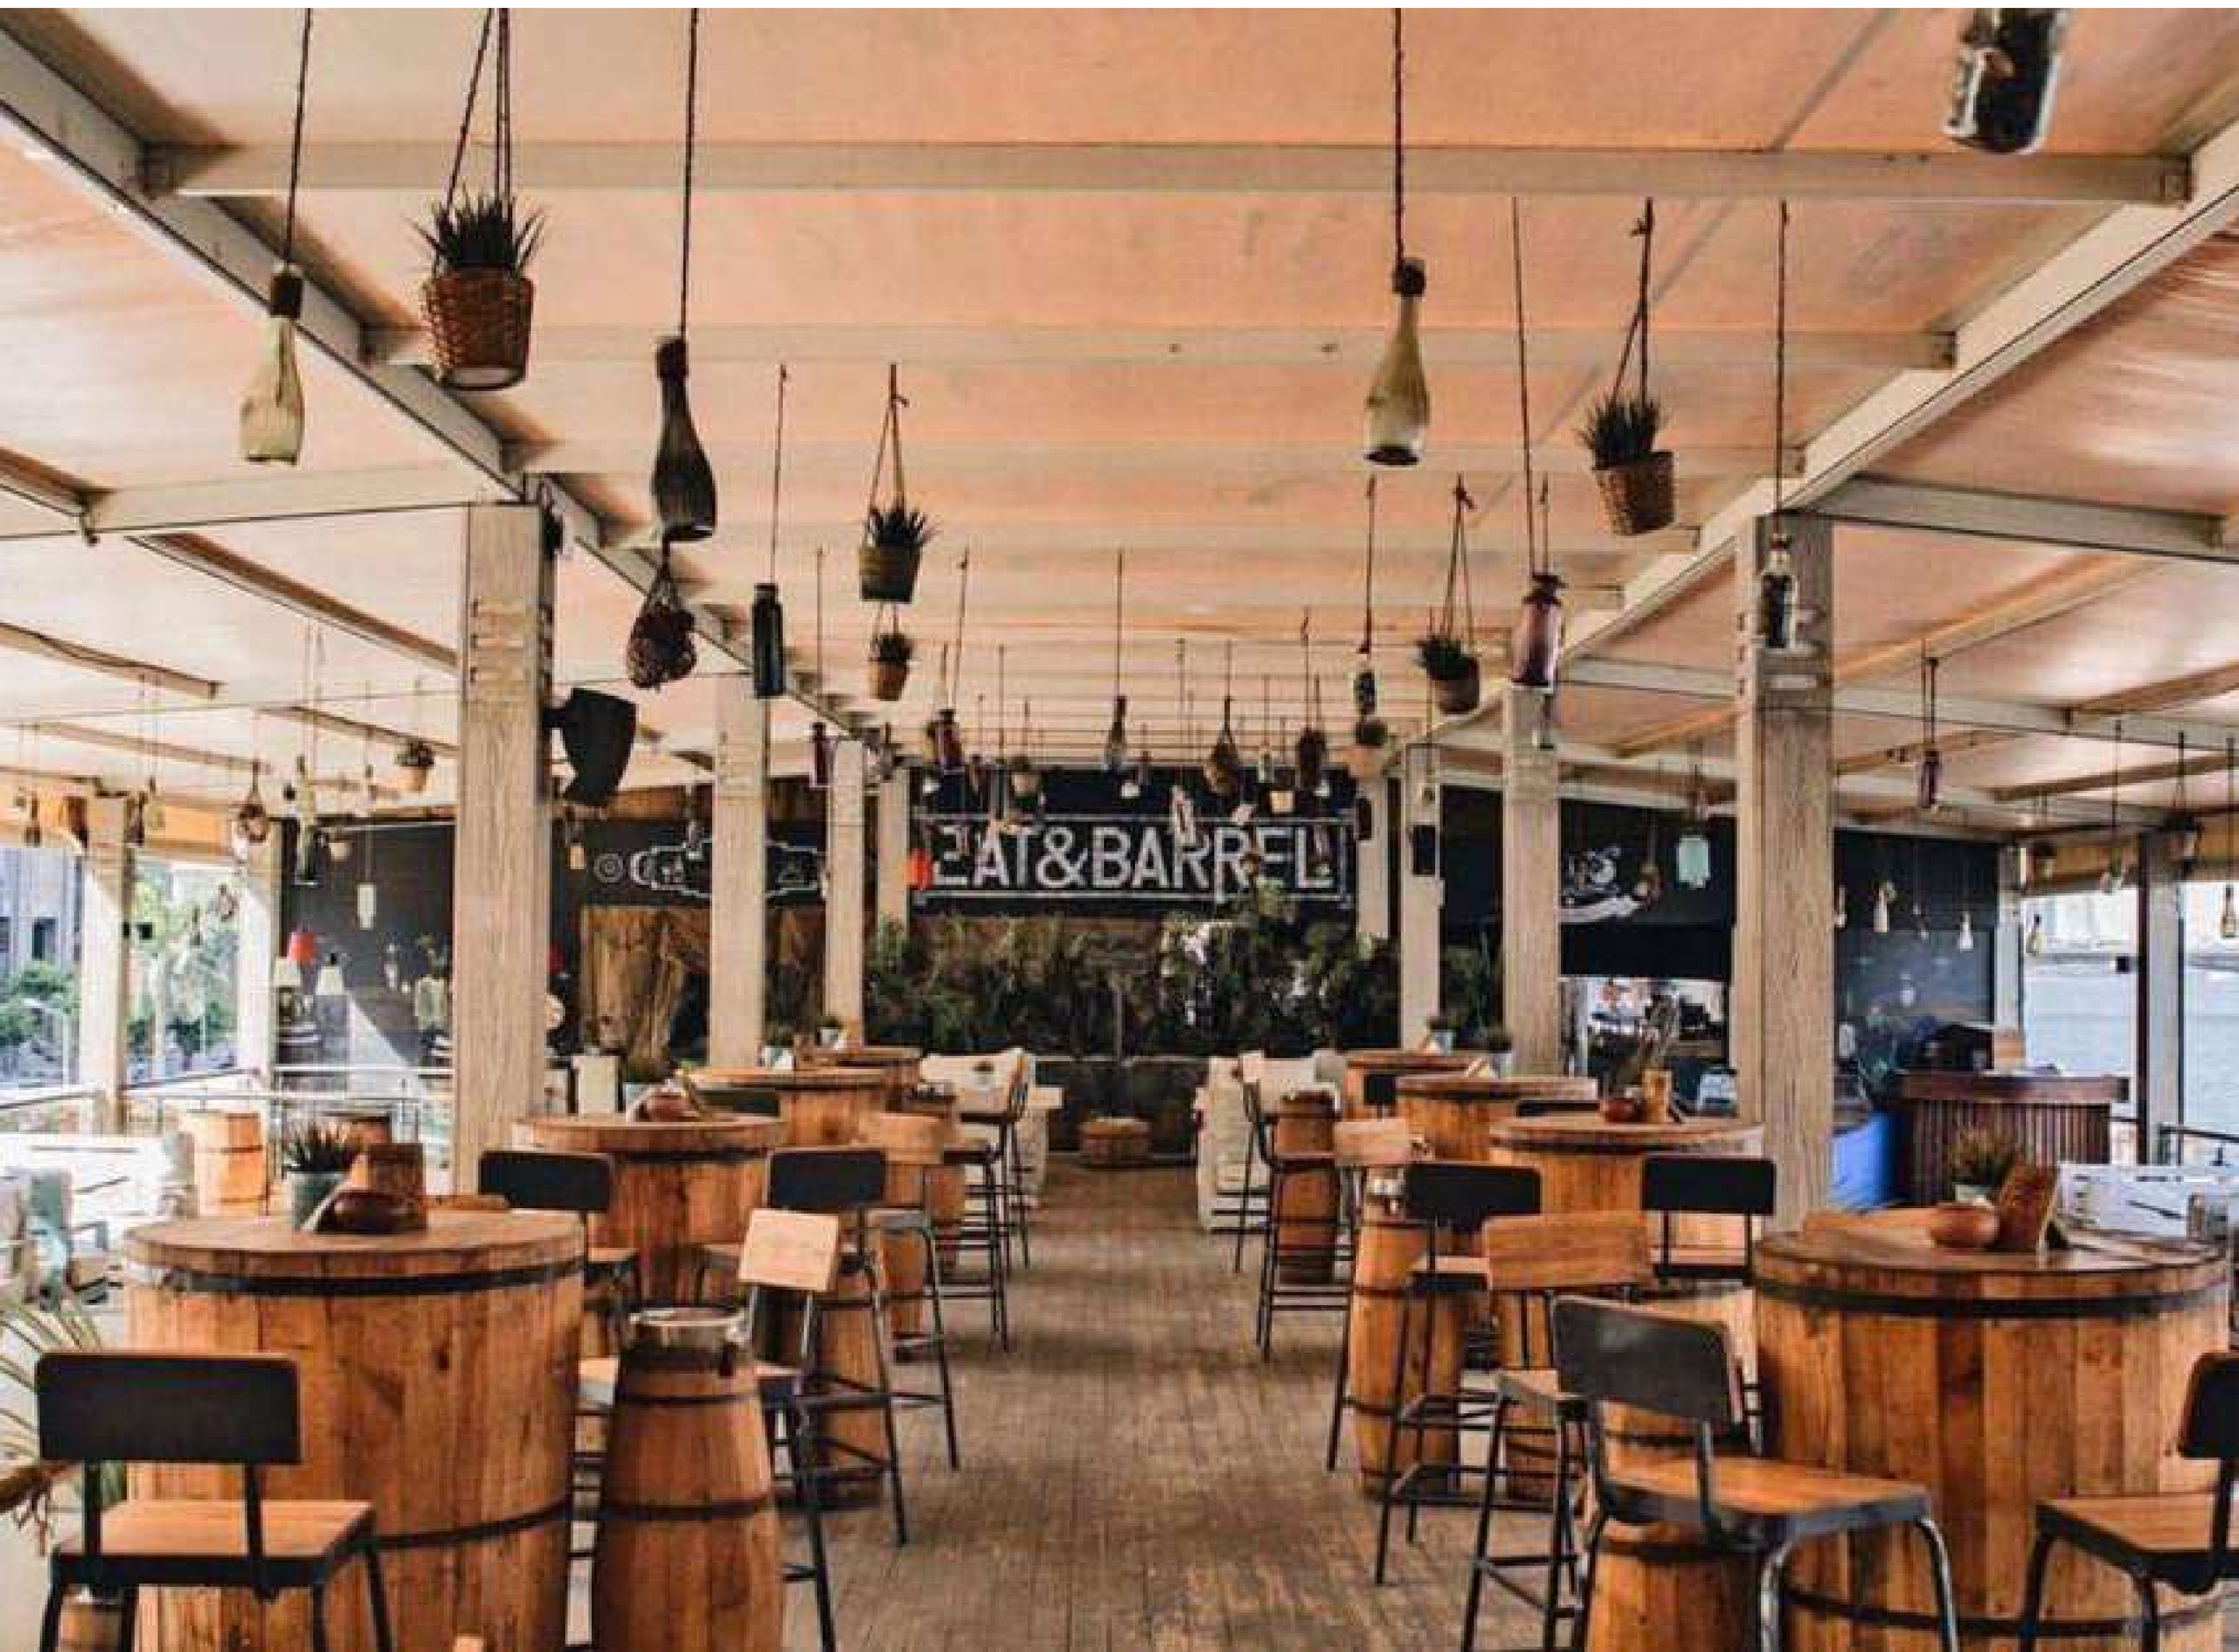

Our design for egypt’s first Spanish resto-bar is centered on a vintage warm atmosphere that unfolds within the military green tones in the space and the wooden pieces in the surrounding.
The interior has been brought to life with a recycled wooden sculpture of a Matador that was exclusively designed for this project.

EAT&BAREL

This genuine rustic interior design that never goes out of style. The design emphasizes on how simplicity can be captivation and stylish. Eat & Barrel design preserves an old fashioned feel with a stylish rustic style
