COMPANY PROFILE

Mahmoud Abbas Studio aims to mix art thinking with geometric functions to provide a creative design that Doesn’t get out of style.

Introduction.

Mahmoud Abbas Designs Studio is a fully integrated design house that was founded in 2008. Its field of work starts from Architecture design, interior design, concept creation, to contracting services for both residential & commercial spaces.

The Studio aims to mix art thinking with geometric functions to provide creative designs that never gets out of style.
Our designs are a blend of cultural insight and luxurious contemporary elements creating designs that reimagine modern, contemporary and classic styling.
We pride ourselves in our irreproachable commitment to quality by providing only the highest standard of design and material.

> “As an architect you design for the present, with an awareness of the past, for a future which is essentially unknown.

THE GETAWAY HOME

For this project we designed a glass room that opens up visually and physically creating a refined, simple, modern blend to the infinity pool opposite to it

Neo Clas Bedrooms

A bright all white look combined with chic classic wall decor and a captivating decorative plasters, giving the room a valuable look and feel with wood flooring and a modern -extra comfortable bed.

Korba Black Apartment

Black interiors are rare and risky, but when it is combined with modern contemporary furniture, vintage walls, and artistic decor, the whole space becomes an attractive work of art.

El Sokhna Beach House

A modernly designed summer house that mixes between the light smoothing colors. The color mood was carefully selected to make the place look and feel relaxing as it is a vacation house.

GOTHIC ARCHITECTURE

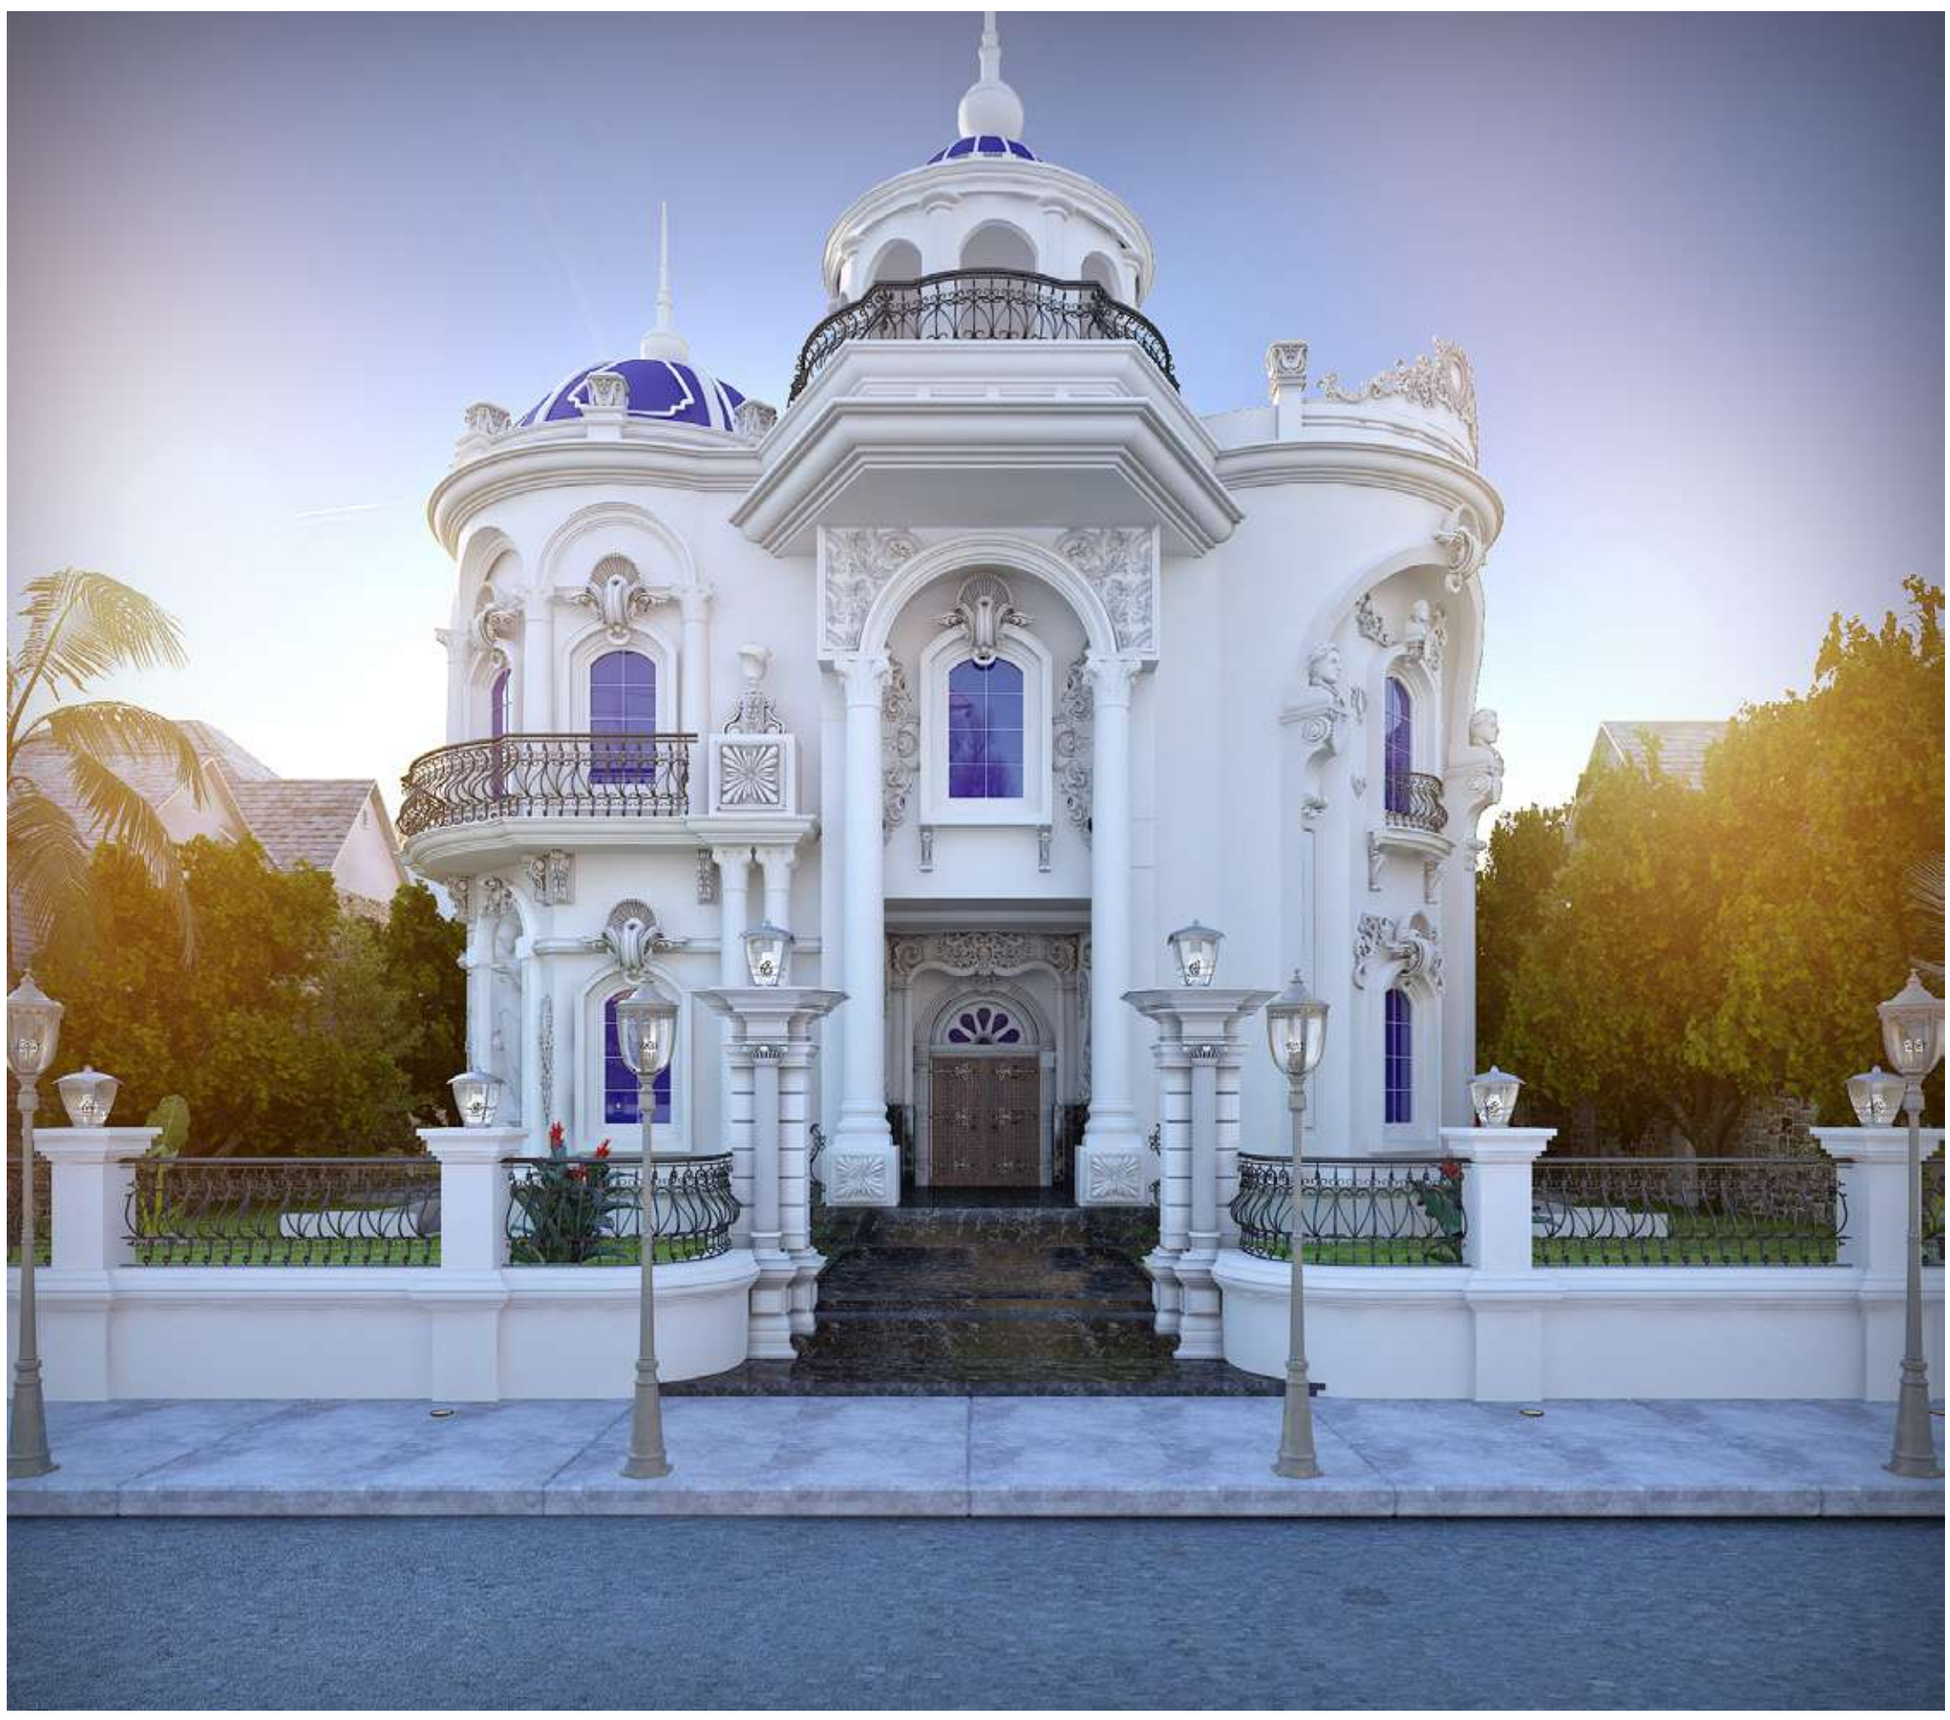

The royal Gothic architecture was what we did with this residential project.
This European Gothic Architectural design and interior classical design takes us back through history through a medieval era that radiates class, beauty, and authenticity.
